

Grant and Partner Packet

Mills Global, Inc.

Building stronger lives through values-based media, mentorship, and community engagement.

EIN: 42-2337100

Status: IRS Form 1023-EZ submitted; 501(c)(3) determination pending

Email: info@millsglobal.org

Website: www.millsglobal.org

Mission Activity

We create and publish values-based teaching through digital media, provide leadership and mentorship resources, and host community workshops and events that promote personal growth, resilience, and positive community impact.

2026 Launch Model

- Digital media series and public learning resources
- Mentorship resources and pilot cohorts
- Community workshops with partner organizations
- Measurement, transparent reporting, and accountable growth

2026 Roadmap

Q1: finalize partner conversations and program materials. Q2: release initial media resources and prepare mentorship tools. Q3: launch pilot workshops and mentorship resources with partner organizations. Q4: summarize outcomes, refine the model, and prepare expanded reporting.

Funding Priorities

Media Production

Planning, recording, editing, distribution, and resource development.

Mentorship Pilots

Guides, cohort design, facilitation resources, and follow-up tools.

Community Workshops

Partner coordination, event materials, venue support, and outreach.

Evaluation

Participant feedback, output tracking, summaries, and reporting materials.

Governance and Compliance

Mills Global is building board oversight, conflict-of-interest awareness, financial stewardship, document retention, non-discrimination commitments, accessibility awareness, and public accountability practices. Mills Global does not participate in political campaign activity and is committed to operating for public, charitable, and educational purposes without private inurement or improper private benefit.

Tax Status Notice

Mills Global, Inc. has submitted IRS Form 1023-EZ and is awaiting determination of 501(c)(3) tax-exempt status. While the application is pending, contributors do not have advance assurance of deductibility. If Mills Global ultimately qualifies for exemption for the period in which a contribution is made, deductibility will depend on the final IRS determination and applicable law. Donor acknowledgements will be provided. No goods or services are provided in exchange for contributions unless explicitly stated.
