Website: www.millsglobal.org

Mission Activity

We create and publish values-based teaching through digital media, provide leadership and mentorship resources, and host community workshops and events that promote personal growth, resilience, and positive community impact.

Primary Focus Areas

Values-Based Media

Digital content that promotes resilience, leadership, and personal growth.

Mentorship Resources

Tools, guidance, and pilot resources that support leadership and life skills.

Community Workshops

Partner-centered programming designed for practical growth and community benefit.

2026 Launch Focus

- Digital media series and public learning resources
- Mentorship resources and pilot cohorts
- Community workshops with partner organizations
- Governance, transparency, and measurable outcomes

Partnership Pathways

Mills Global welcomes conversations with community organizations, nonprofits, civic leaders, funders, sponsors, and in-kind supporters whose goals align with public-interest education, mentorship, and community impact.
